

As listed in this month's newsletter article, "Prayer, Fasting and Casting a Vision – UPDATE" in the January, 2025 edition of The Sonshine News: On December 9, 2024, the Microschool Launch Sub Task Force held its first meeting. Much progress was made concerning area number 3 of the church's vision, "implementing some sort of alternative education program such as a Christian Micro-school for parents who are looking for options beyond the public school system." We will be working through "The Samuel School" to establish our own campus which will take on the name "The Samuel School, Enola Campus". Our school plans to launch for the 2025/2026 school year, beginning this fall.

As the newsletter describes, the Samuel School, Enola Campus will be:

- Christian,
- Classical,
- Church-Based,
- Covenantal,
- Hybrid,
- Microschool

(Note: Each of these descriptors is defined in the newsletter article cited.)

**As we approach the opening of our enrollment period for students, we ask that all church attendees provide any of the following information possible:**
